

President Report 2023

Hi Members

Well what a year we have had at Club on East

I would like to thank my fellow Board members, Management and Staff for a year of change that the club has not experienced in years. Removal of the Tab Wall, new screens, Tab screens and betting facilities that makes the sports lounge the best in the Shire without a doubt.

It was also been a sad year for the Club with the passing of former Director **Neville Batcheldor** who left us this year. Neville was a staunch member and over 10 year Director of the club and will be sorely missed once again to his family and friends my sincere condolences.

New Carpet, Painting of Auditorium, New refurbished toilets underway in January, New Air Conditioners 12 extra TV's around the club and many more changes to come to be experienced by members and their guests

By far the most significant change has been the arrival of Mike's Grill at Club on East what a turnaround for the Club, Great food, Friendly service, table service for drinks and now pizza's making it the place to go in the Shire for the perfect family Meal for both adults and children.

The club is also running some great promotions every Thursday night with a boat and accessories the next major prize.

If you haven't been lately then come to Club on East and see what all the hype is about. Also if you are not a member or it has lapsed join or rejoin for some great benefits and cheaper prices

See you at the Club

Kind Regards

President Club on East

Anthony Hogan (Tony)
