

PRESIDENT'S REPORT 2026

To our valued Members,

It's hard to put into words the thanks and gratitude I have for everyone involved in the success of our club, after another fantastic year!

We have posted another solid profit which will be invested straight back into our member services, our venue, and the local community, so we can continue to deliver top quality food, beverage and entertainment offerings and services.

The refurbishment of the Sports Bar has been worth every cent, with huge crowds coming in to watch major sporting tournaments this year, like the FIFA World Cup and the Commonwealth Games, as well as weekly sporting events. Our function spaces continue to attract all manner of event celebrations, which has been great to see, and Mike's Grill is trading exceptionally well which is a testament to the fantastic team running the kitchen and restaurant.

We have reached our highest membership number on record with over 19,000 people now signed up to be a part of the Club on East community, and I truly hope they are enjoying everything we have to offer at our venue.

We have again supported our local sporting clubs and some important community groups this year and it's been wonderful to see so many of them utilising our club and facilities for their team functions.

Thank you to my fellow Directors who have worked hard over the past 12 months to deliver top quality services and facilities to our Sutherland Shire locals. The Club wouldn't be in the position it is today without them.

Thank you to CEO Scott Lindsay and his team who have done an amazing job running our venue day-to-day. It's their hard work and dedication that keeps our patrons coming through the doors time and time again.

Thank you also to our members for your loyalty and support. We only exist because of you.

See you at the Club!
