

PRESIDENT'S REPORT 2025

To our valued Members,

It's been another incredible year for Club on East and I am so grateful for everyone involved in the club's success.

Financially, we have recorded another profitable year, driven by an uptake in all areas of the club. The upgrades we have made to the décor and layout, and our improved services and offerings for members and guests over the past few years, are now giving us the return on investment the Board and Management team had planned for.

Membership and patronage at the club is rapidly increasing as we get more engagement with our weekly activities, food and beverage offerings, and event spaces. In particular, the Sports Bar has really taken off this year, with bumper crowds coming in for major sporting events like the NRL finals series.

We have increased our support to local sporting clubs and community groups this year and it's been wonderful to see so many of those groups utilising our club and facilities for their team functions. There is a real buzz in the club on Saturdays and Sundays with many members and their families making us their venue of choice for their weekend events.

Thank you to my fellow Directors who have worked hard over the past 12 months to deliver a top-class dining and entertainment offering for Sutherland Shire locals. This group attends many meetings and events, and I am incredibly thankful for their commitment and support.

Thank you to CEO Scott Lindsay and his team who have done an amazing job running the Club day-to-day. They are the reason our organisation functions so well and it's their hard work and dedication that keeps our patrons coming through the doors time and time again.

I would also like to extend my thanks to Mike's Grill and the team. We appreciate their hard work, providing superb meals which are second to none.

And finally, thank you to our members for your loyalty and support. We only exist because of you.

See you at the Club!

Tony Hogan
